Evolved Elegance

BALANCE IS WHEN WHERE YOU'VE BEEN MEETS WHERE YOU ARE.

It's capturing that magical in-between time when it's day turning to night—night becoming morning. It's the classic element complemented by the unexpected texture.

In this room, the image of Evolved Elegance is achieved using Waypoint Living Spaces® door style 610 in Painted Silk, mixed with aluminum doors featuring Frosted Glass inserts on the wall cabinets. Hardware is a graphite knob.
